

Classroom Management for Higher Education

Online

The American Association of Adjunct Education is pleased to present its newest online course, Classroom Management for Higher Education. Though it is not often mentioned, classroom management is a needed aspect even at the post-secondary level. This course will examine the various facets of classroom management including preparation, dealing with difficult students, communication, self-reflection and more.

This online training is available for only \$150. To register, please complete the form below.
